Thank you for submitting the ethical approval form for the project 'Investigating AI approaches and how they challenge resolutions: State AI vs Machine Learning' (Lead Investigator: Chloe Sunter). Expected to run from 07/03/2022 to 31/05/2022.

**Based on your answers, the University Ethics Committee grants its approval for you to start working on your project. Please be aware that if you make any significant changes to your proposal then you should complete this form again, as further review may be required. This confirmation may be used within a research portfolio as evidence of ethical approval. Please note: this confirmation will be the only correspondence you should expect to receive as evidence of ethical approval. There will be no other confirmation provided. You may now proceed with research. If you have any queries, please review the internal and external ethics FAQ pages before contacting [res.policy@ncl.ac.uk](mailto:res.policy@ncl.ac.uk).**

**In order to limit the spread of COVID-19, any research projects which include direct contact with human participants must adhere to local physical distancing guidelines and the restrictions imposed by the government of the country in which the research is being undertaken.**

Best wishes

Research Policy Intelligence and Ethics Team,

**Research Strategy & Development**
